CAMEROON BIOSECURITY
PROJECT

CONSULTANCY RECRUITMENT **COMPONENT ONE OF THE CAMEROON BIOSECURITY PROJECT**

The Ministry of Environment, Protection of Nature and Sustainable Development (MINEPDED), as the executing agency of the second phase of the Cameroon Biosecurity project titled: “Implementation and Institutionalization of a National Monitoring and Management Framework for Living Modified Organisms and Invasive Alien Species” is recruiting under its **Component 1 on Biosecurity Legislative, Policy, Regulatory and Institutional Frameworks**, the following consultants:

- a. Two (02) National Consultants to develop a National Biosecurity Strategy (NBS) through a consultative process with key stakeholders (**Activity A.1.1**).
- b. One (01) International Consultant and One (01) National Consultant to review and update the 2003 National Biosafety Law and its enabling instruments to reflect current global evolutions and developments in the implementation of the Cartagena Protocol on Biosafety, COP-MOP Decisions; and the Supplementary Protocol on Liability and Redress (SPLR) specifically providing National Rules and Procedures in the field of Liability and Redress relating to LMOs (**Activity A.2.1**).

N.B/ Candidates may apply for more than one consultancy position.

This project financed by the Global Environment Facility (GEF) and the Government of Cameroon, is executed under the supervisory authority of the United Nations Environment Programme (UNEP) and MINEPDED. The overall objective of the project is to strengthen institutional biosecurity frameworks in the management of invasive alien species and living modified organisms through a coordinated risk analysis measure.
