PROJECT

CONSULTANCY RECRUITMENT **COMPONENT 3 OF THE CAMEROON BIOSECURITY PROJECT**

The Ministry of Environment, Protection of Nature and Sustainable Development (MINEPDED), as the executing agency of the second phase of the Cameroon Biosecurity project titled: *“Implementation and Institutionalization of a National Monitoring and Management Framework for Living Modified Organisms and Invasive Alien Species”* is recruiting under its **Component 3 on the biosecurity capacity integrated in regulatory, institutional and national education systems**, the following consultants:

- Two (02) National consultants to deliver a training course in LMOs detection, diagnostics and monitoring of biological invasions. (**Activity C.1.1**).
- Two (02) National consultants to update and provide guidance options to facilitate the implementation of National Biosecurity Communications and Awareness-raising plan. (**Activity C.3.1**).
- Two (02) National consultants to develop a Biosecurity information system that facilitates the collection, management and exchange of information on biosecurity. (**Activity C.5.1**).

N.B/ Candidates may apply for more than one consultancy position.

This project is cofinanced by the Global Environment Facility (GEF) and the Government of Cameroon, is executed under the supervisory authority of the United Nations Environment Programme (UNEP) and MINEPDED. The overall objective of the project is to strengthen institutional biosecurity frameworks in the management of invasive alien species and living modified organisms through a coordinated risk analysis measure.
